12PCS DOLLY SET

### SB-9335

10" 1000V INSULATED GROOVE JOINT PLIERS

### OI-9159

OIL FUNNEL SET FOR VAG (6PCS GLUE INCLUDED)

- Funnel can be directly connected to oil filler necks, eliminating unsafe oil spills
- Engine oil bottles can be put up side down on funnel – hands-free and one-person operation
- Large oil passage allows oil to flow down more rapidly
- Lower transparent chamber shows oil flows down to engine
- Different engines have different configurations below oil filler neck. Some engines might have parts that create a baffle (as the images shown on the right), and this can make conventional funnels hard to stabilize on oil filler neck, or one hand is needed to hold against the funnel when refilling engine oil. However, this funnel is to solve these problems. A seamless connection can be created to prevent unsafe oil

### BS-9239

20PCS CHANGEABLE HAND SANDER KIT

### BS-9414

#### WOODEN REPAIR RACKET

1. As shown in the picture.
2. Repeated tapping to repair dents.
